Dear Parents/Carers,

We have had a great week of learning at school.

I am very pleased that on Monday 19th October we are able to take the children to Church for our annual Harvest Church Service. Due to restrictions this service will only be for pupils and staff, however it will be the first time we have been together as a whole school for a long period of time. Fortunately Rev. Alex is able to accommodate us all whilst remaining in our class bubbles. The service will be slightly different to usual, no singing for example, however never the less a celebration.

We will be inviting children and families to make donations for the local food bank. These donations are not able to come into classrooms however we will be putting out boxes in the gazebo on the front playground for donations to be stored safely before delivering to the food bank. Further details will be sent out to you next week.

I am still working out the final details for our Parents Consultations this term, the week commencing 9th November. I am developing a plan to offer families a choice of approach however may need to adapt plans closer to the week to reflect the circumstances and guidance at the time.

A couple of reminders this week;

Flu Vaccinations take place on Monday 12th October. Unfortunately the deadline for submitting has been reached, they have apologised for the difference in the date provided on the letter. If you missed the deadline you may still be able to book a vaccination with your GP.

Our ParentPay system will be going active after October Half term, from 2nd November 2020. We will provide further information about your login details over the next two weeks. This information will be sent to you directly.

Wishing you a lovely weekend.

Miss M Raymond

Attendance:

This week: 98%

School Target: 95%

Key Dates:
